SIMPLY STUNNING: THE BROOKHAVEN L-SPOUT SERIES BY CIFIAL USA

ATLANTA (January 2009) – Cifial expands its already impressive lavatory faucet portfolio with the statuesque Brookhaven L-Spout Series. A study in form and function, this faucet offers superior performance and ease of use without sacrificing style.

“The L-Spout Series truly captures transitional styling by blending contemporary and traditional elements into every faucet” says Jim Osborne, director of sales for Cifial. “Consistent superior quality, fit, and finish, the entire Brookhaven Collection of the most sought after product lines we offer.”

Well-suited for universal design, the crown lever handles of the Spout Series are easily turned on and off with minimal effort for with limited range of motion or suffering from arthritis. Known for unparalleled design, innovation and technology, the Brookhaven Collection was recently awarded the ADEX Silver Design Award.

The series is available in eight unique finishes ranging from polished chrome and aged brass, to distressed bronze and features a variety of exquisite lavatory faucets including the 3-Hole Widespread, Wall Mount Faucet, and Vessel Bowl Filler.

For more information about the Brookhaven L-Spout Series or other Cifial products, call 800.528.4904 or visit www.cifialusa.com.

About CIFIAL USA:

Founded in Portugal in 1904, Cifial has over 100 years of plumbing and hardware manufacturing experience. One of only three true faucet manufacturers in the world, Cifial finds inspiration in the country's passion for design and its heritage of metalworking, Cifial utilizes state-of-the-art casting, forging, machining, and finishing technology to create high-quality product lines. Cifial's collections include faucets, custom shower components, bath accessories, interior and exterior door hardware, and cabinet hardware for residential and commercial uses. Cifial takes pride in being a pioneer in technology and design, and providing the finest quality, fit and finish on the market today. Cifial USA, based in Norcross, Ga., is the home of North American operations and distribution.
