

## **DEFINING ELEGANCE IN THE BATHROOM** **The Hexa Collection by Cifial USA**

**ATLANTA (February 2008)** – Cifial adds a bold new look to the bathroom with its Hexa Collection of innovative lavatory faucets. The sleek high-arch widespread design creates a stunning display as the water flows elegantly into the basin.

“With a timeless quality, the Hexa Collection adds a modern twist to Art Deco, and reinforces Cifial’s ongoing commitment to innovation and design,” says Dean Sever, marketing manager for Cifial. “Cifial strives to offer homeowners design freedom with features and finishes that can match most any décor.”

Measuring almost 6 inches long and over 9 inches high, the Hexa Widespread creates a striking focal point for any bathroom. With a choice of two handle styles, a lever or a cross, the faucet compliments both traditional and contemporary design. Available in a choice of four distinctive finishes including polished chrome, satin nickel, polished nickel and weathered.

This comprehensive new lavatories collection includes, shower trims and a variety of bath accessories ranging from towel bars to toilet paper holders.

For more information about the Hexa Collection or other Cifial products, call 800.528.4904 or visit [www.cifialusa.com](http://www.cifialusa.com).

### **About CIFIAL:**

Founded in Portugal in 1904, Cifial has over 100 years of plumbing and hardware manufacturing experience. Inspired by the heritage of metalworking, Cifial utilizes state-of-the-art casting, forging, machining, and finishing technology to create luxurious product lines. Cifial's collections include faucets, custom shower components, bath accessories, interior and exterior door hardware, and cabinet hardware for residential and commercial uses. Cifial takes pride in being a pioneer in technology and design, and providing the finest quality, fit and finish on the market today.

Cifial USA, based in Atlanta GA, is the home of North American operations and distribution.
