CIFIAL PLUMBING PRODUCTS HIGHLIGHT SHEET

PLUMBING PRODUCTS OVERVIEW:

With over 100 years of industry experience, Cifial takes pride in being a pioneer in innovation, technology and design for home and commercial applications with the finest in quality, fit, and finish available on the market today.

Cifial's wide selection of plumbing designer finishes is unmatched in the industry. They range from exclusive rough bronze and nickel finishes to the company's three distinctive living finishes: distressed bronze, rough bronze and a weathered finish. Cifial also offers hardware to compliment each of its plumbing products lines.
