Stylish [contemporary](#) design, the [Techno M3 collection](#) of [bathroom](#) faucets, [shower](#) systems, [fittings](#) and [bath](#) accessories is from Cifial USA. Exclusively engineered by internationally known Portuguese industrial designer Carlos Aguiar, the Techno M3 bathroom fixtures combine flawless lines with a modern twist to create an unrivaled look to any home. "We wanted to create a line of products to meet the needs of individuals who know exactly what they want and desire to have the very best," says Jim Osborne, director of sales for Cifial. "The Techno M3 Collection is the preferred choice among those with a taste for cutting edge design and unparalleled quality." Inspired by excellence, this exceptional line of products sets the standard for performance in the bathroom. The 3-hole Widespread bathroom faucet and shower system were recently awarded the 2008 ADEX Platinum and Gold Design Awards. Five inches long by nine inches high, the 3-hole Widespread faucet is the center of attention in any bathroom. The entire collection is available in four brilliant finishes including polished chrome, satin nickel, polished nickel and weathered. For more information about the Techno M3 collection call 800.528.4904 or visit [Cifial USA](#) website.
