GUIDE TO SUSTAINABLE DESIGN SEE SPECIAL SUPPLEMENT

Turquoise Inspires Lighting Collection

Nora Lighting's Turquoise series takes its cue from the Pantone Color Institute's trendy Color of the Year. The collection features five models in a range of sizes and finishes. Pond, Rain, Mega Cube and Open Pond pendants are styled with luminous art glass, while Empire is a hand-made beaded glass shade. Matching sconces are available for Rain, Empire and Mega Cube.

Pads Protect Cabinet Doors in Display

The Sample Door Protection Pads from Global Kitchen & Bath are self-adhesive, heavy-duty, soft felt pads designed to be used with the company's Kitchen Showroom Sample Door Display. When applied to the backs of door samples, the doors no longer rub against each other, causing damage to the samples.

Lights Match Bath Faucets

ShowHouse by Moen has added lighting fixtures to match four of its most popular bathroom collections: Waterhill, Felicity, Solace and Savvy (shown). Savvy lighting features transitional styling with flaring glass globes. It is available in one-, two-, three- and four-light configurations in chrome, brushed nickel and brushed bronze finishes.

Microwave Runs Multiple Programs

Miele's Chef Series microwave oven features 11 automatic programs, a Keep Warm function and a programmable memory. The stainless steel unit sports a Clean Touch Steel finish that resists fingerprints and scratches. It is also available in black glass.

Lav Faucet Features Small Footprint

The Nova Podium single-handle lav faucet from Cifial USA is constructed entirely from brass and is lead free. The faucet features clean lines and a smaller footprint, and is available in a chrome finish. A complementary Nova Podium shower system is available.

China Sinks Provide Choices

The Vitreous China Sink Collection from Artisan Manufacturing Corp. includes both undermount and surface-mount designer sinks in square, rectangular and oval models. The bath sinks are crafted from a clay mixture fired at high heat, which fuses the glaze into a non-porous, hard, glossy, stain-resistant china finish. The sinks are available in various depths and faucet openings.
