(1) Boasting spare lines and modern flair, the Techno M3 collection from Cifial is comprised of shower systems, fittings, bath accessories and faucets, including the 3-Hole Widespread Faucet (shown). The collection is available in polished chrome, satin nickel, polished nickel and weathered finishes. Circle No. 200 (2) Combining the benefits of porcelain tile with contemporary design, Artistic Tile's Xilo Collection features a glazed linear pattern with Swift and Wave components. Durable and easy to maintain, this porcelain tile is available in beige, black, white, brown and gray and in 1-in. x 1-in. dots, 12-in. x 24-in. field tiles and 3-in. x 24-in. bullnose tiles. Circle No. 201 (3) Designed for the Spring double washbasin, the Spring wall-mounted, undercounter vanity by Lacava is equipped with three drawers, four-door storage and pullout bottom. It is available in 12 standard finishes and is fully customizable. The washbasin comes with overflow and is offered with one or three faucet holes in an 8-in. spread per basin. Circle No. 202 (4) Silestone by Cosentino introduces Bianco River, the newest color in the River Series. Pairing the elegant look of Italian heritage with the strength and durability of natural quartz, the new countertop features a white background with bold veining in shades of gray, and is scratch-, scorch- and stain-resistant. Circle No. 203 (5) From Scavolini, the Scenery kitchen offers a wide range of materials, finishes and elements for achieving a sophisticated appeal. With a thickness of 2.8 cm, the doors are available in gloss and matte lacquer, gloss and matte oak veneer, brushed fir-wood veneer and glass. Circle No. 204
