# faucets & fixtures

S

Selecting faucets and fixtures can be daunting. Whether your space is compact or spacious, whether your style is cottage or contemporary, you need equipment that meets your needs and makes you happy. The challenge, then, is to find products that work hard, look good, and fit your budget. If they're easy to clean and easy on the Earth, that's a bonus. Explore these pages of sinks, faucets, tubs, and shower components. We're sure you'll find several options that merit a spot on your shopping list.

**LOFT LOOK**

Sleek and chic, this lever-handle wall-mount faucet comes in polished chrome (shown) and three other cool finishes.
